EDUCATION

Computer Engineering

Selçuk University

Jul 2022- Jun 2026

GPA: 3.13/4.0

Computer Engineering

Polytechnic Institute of
Guarda(Portugal-Erasmus)

Feb 2024- Jul 2024

Beceriler

Python

C#

Image Proccesing

Machine Learning

Language

English

ALPEREN AVCI

Computer Engineer

PERSONAL SUMMARY

Work Experience

İnfoline Bilgi Teknolojileri Tic. A.Ş. | Internship |2025 - Present
İstanbul,Türkiye

- .Net Full Stack Developer

EXPERTISE

- AI/ML
- MLOps
- Image Processing
- Blockchain Technology

PROFESSIONAL EXPERIENCE & PROJECTS

TransAuction MVP – Transparent and Secure Blockchain Auction Platform

Kapsül Technology Platform & Trio Blockchain | Hackathon | 15.02-16.02/2025

- Developed a project that addresses the lack of transparency, irregularities, and high costs in traditional auction processes using blockchain technology.

Blockchain & Renewable Energy Start-Up

Konya Technopark | 2024 - Present

- Leading an innovative project on blockchain-based renewable energy transfer.
- Co-founder and project leader of the start-up.

Security Drone Project

Shark Innovation Drone Company | 2024 - Present

- Working on live video transmission and analysis systems in the field of image processing.
- The project aims to provide innovative solutions for urban security.
- Serves as the project leader for the image processing section.

W.A.R.D | Web Attack Recognition & Detection

2025 - Present

- Developed a system that analyzes web server logs to detect brute force, DDoS, and bot activities in real time. Sends instant alerts via Telegram API. Features a modular, machine learning-supported architecture with continuous learning, offering a cost-effective cybersecurity solution for small and medium-sized businesses.

Lawyer Web Site | Freelance

- Built a responsive personal website using Next.js (App Router) and Tailwind CSS. The project features reusable components (Navbar, Hero, Footer), modern UI design, and SEO-friendly routing. The code is publicly available on GitHub: github.com/alperenavici/website

My certificates

- English certificate (B2)
- Erasmus Study Mobility Participation Certificate
